

2021 Medicare Part D standard benefit design

For individuals not eligible for low-income subsidies

 Medicare and Part D plan coverage

 Your costs (Excludes plan premiums)

¹Greater of 5% or \$3.70 for generic/multi-source drug, \$9.20 for all other drugs

²You receive credit for 95% of the retail brand-name drug cost toward meeting your coverage gap out-of-pocket maximum

³If your total drug cost is over \$345 monthly, you will reach the coverage gap sometime during the year.
