Retirement plan participants, who have attained age 70½ or older, may make tax-free distributions from a Traditional or Roth IRA and donate the amount distributed to an eligible tax-exempt charitable organization. The total of all QCDs for a single tax year cannot exceed \$100,000. The QCD amount can be used toward satisfying your Required Minimum Distribution ("RMD") for the tax year. The QCD will be reported to the IRS on Form 1099-R as a normal distribution (Code 7) based on your age. You must document the tax-free qualification to the Internal Revenue Service "IRS" on your Federal income tax return (Form 1040). Please visit the IRS web site irs.gov, or contact a professional tax advisor for more information. If you have any questions, please call Shareholder Services at (800) 977-2947.
